[b]Payer requirements regarding use of the 10-digit or 11-digit NDC code may vary. The 11-digit NDC code provided above has been converted from the 10-digit 5-4-1 format by inserting a zero in the appropriate section to align with Centers for Medicare & Medicaid Services (CMS) billing requirements.

How to get started with OXLUMO:

1. Together with your patient, complete the OXLUMO Start Form, available at www.AlnylamAssist.com. Start Forms can be submitted electronically or printed and faxed to 1-833-256-2747.

2. Within 2 business days, your patient's Alnylam Case Manager will provide you and your patient with a comprehensive benefit verification. Your patient's Alnylam Case Manager is available to answer questions.

3. Alnylam Assist™ will send your patient's OXLUMO prescription to a specialty pharmacy and/or provide you information about specialty distributors. Your patient's Alnylam Assist™ Case Manager will work with you to route the order to the appropriate distribution partner. For some patients, home administration by a healthcare professional may also be an option depending on their insurance.
