Preparing for the coverage and reimbursement process

When prescribing an Alnylam product, please refer to the steps below.

With payers

- 1 | Contact the payers through whom your patient has insurance coverage (commercial, local Medicaid Administrative Contractor, State Medicaid, etc.) for additional information regarding appropriate coverage, coding, and payment policies.
 - ▷ For example, discuss the payment methodology for the appropriate Healthcare Common Procedure Coding System (HCPCS) code with payers and what constitutes a clean claim
- 2 |
 - ▷ Review the payer-specific coverage requirements and key medical necessity criteria
- 3 |
 - ▷ Ensure accurate and proper chart documentation

With your practice

- 4 | Know who in your practice is responsible for each of the following tasks:
 - ▷ Receiving benefit verification information
 - ▷ Submitting prior authorization/precertification, if required
 - ▷ Discussing financial obligations with patients
 - ▷ Scheduling appointments for drug administration
 - ▷ Ordering product for your patients
 - ▷ Submitting claims to payers
- 5 | Update charge master/electronic billing system to ensure that the Alnylam product is recognized.
- 6 | Anticipate requests from payers for clinical documentation if filing a claim for an Alnylam product.

The Alnylam Assist™ team includes **Field Reimbursement Directors** who are knowledgeable in chart documentation best practices and billing and coding requirements for Alnylam products. They can answer questions on these topics.

Initiating therapy

When preparing to treat a patient with an Alnylam product at your practice, follow the steps below to help enable patient access, proper claims submission, and reimbursement.

- 1 Together with your patient, complete the Alnylam Assist™ **Start Form** to enroll your patient in Alnylam Assist™.

 - ▷ An Alnylam Case Manager will initiate verification of benefits and eligibility assessment for patient financial assistance, if appropriate.
 - ▷ To access the Alnylam Assist™ **Start Form**, visit www.AlnylamAssist.com
- 2 Schedule the patient for treatment.
- 3 Work with Alnylam Assist™ to determine the method for ordering product.

 - ▷ Alnylam Assist™ will send your patient's prescription to a specialty pharmacy and/or provide you with details about a specialty distributor. For some patients, home administration may also be an option depending on their insurance coverage.
- 4 After treatment, complete and submit the claim to the payer, if appropriate.

To get started, go to www.AlnylamAssist.com and complete the Alnylam Assist™ **Start Form** with your patient.
